

Help & Support for your timetabling

With **TimeTabler** we provide the most comprehensive and expert timetabling support in the world.

We support you in **12** ways:

1 There is a free **Tutorial**, with a step-by-step Tutorial Booklet, to give you a quick introduction to the general style of the program.

Visit www.timetabler.com and use the Menu shown to get your free copy:

2 In **TimeTabler** every screen has its own interactive **HelpScreen** (as you can see in the free Tutorial versions). Just click on the part of the screen you want Help on.

3 We provide a range of animated **HelpMovies** (video tutorials), to explain each main screen with a guided tour. This is good at the start, to learn it quickly, and also at the start of each new timetabling season for quick revision.

4 **TimeTabler** comes with a fully-illustrated 200-page **printed Manual**. This contains a large number of **Worked Examples**, from simple 'setting' to the most complicated 'Sixth Form'. It includes lots of timetabling Tactics, Tricks and Tips, spelt out step by step.

5 We provide a **QuickStart Guide**, with a checklist of steps that you need to take.

6 The book by Keith Johnson, Mervyn Wakefield and Chris Johnson on "**Timetabling – A Timetabler's CookBook**" is the standard 'bible' on timetabling principles. It covers every aspect from A to Z.

The web-site also has some free **INSET/CPD materials** on timetabling principles. And if you are **new** to timetabling, there is more information for you.

7 We send you a **monthly NewsLetter** to remind you of the essential tasks at each stage of the timetabling year. Email support@timetabler.com saying 'subscribe' if you would like to receive a copy.

8 You will have access to our 24/7 **SupportCentre**. This includes a large fully-searchable '**Knowledge Base**', where you can find answers to common timetabling problems, and you can download over 300 articles on timetabling.

9 We provide detailed documentation on how to **Export** your completed timetable to **SIMS .net** and the other Admin Systems.

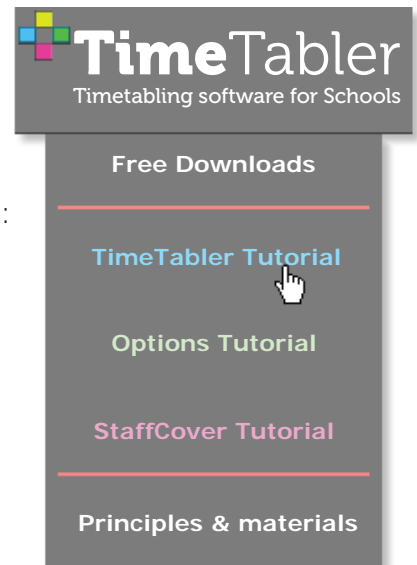

10 Before you start timetabling, our **Options** software helps you to find the most efficient arrangement of 'elective' choice subjects. Simply and quickly.

11 Above all there is the expert **HelpLine Support**, from our team of experienced timetablers. For New Users we provide **Gold-Start** Enhanced Support & Guidance. More details at: <http://www.timetabler.com/gold-start.html>

12 And if you need a training course, or if you want some on-site in-school Help, then our **TimeTabler Associates** can provide it.

So we provide a complete service for Timetablers. For you.
