

Help & Support for your timetabling

With **TimeTabler** we provide the most comprehensive and expert timetabling support in the world.

We support you in 12 ways :

1 There is a free **Tutorial**, with a step-by-step Tutorial Booklet, to give you a quick introduction to the general style of the program.

Visit www.timetabler.com and use the Menu shown to get your free copy :

2 In **TimeTabler** every screen has its own interactive **HelpScreen** (as you can see in the free Tutorial versions). Just click on the part of the screen you want Help on.

3 We provide a range of animated **HelpMovies** (video tutorials), to explain each main screen with a guided tour. This is good at the start, to learn it quickly, and also at the start of each new timetabling season for quick revision.

4 **TimeTabler** comes with a fully-illustrated 200-page **printed Manual**. This contains a large number of **Worked Examples**, from simple 'setting' to the most complicated 'Sixth Form'. It includes lots of timetabling Tactics, Tricks and Tips, spelt out step by step.

5 We provide a **QuickStart Guide**, with a checklist of steps that you need to take.

6 The book by Keith Johnson, Mervyn Wakefield and Chris Johnson on "**Timetabling – A Timetabler's CookBook**" is the standard 'bible' on timetabling principles. It covers every aspect from A to Z.

7 The web-site also has some **INSET/CPD materials** on timetabling principles. And if you are **new** to timetabling, there is more information for you.

8 We send you a **monthly NewsLetter** to remind you of the essential tasks at each stage of the timetabling year.

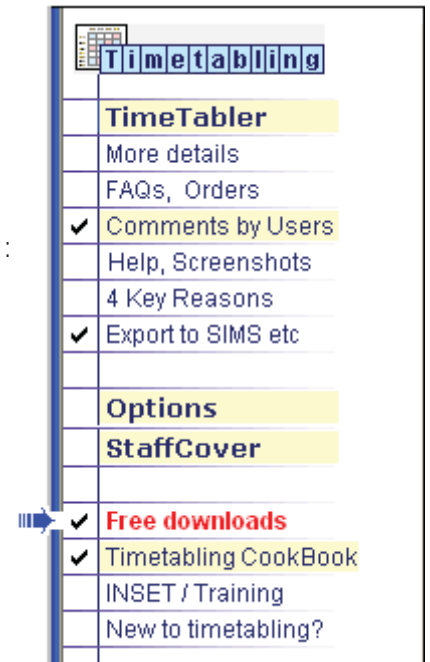

9 You will have access to our 24/7 **SupportCentre**. This includes a large fully-searchable '**Knowledge Base**', where you can find answers to common timetabling problems, and you can download articles on timetabling.

10 We provide detailed documentation on how to **Export** your completed timetable to **SIMS .net** and the other Admin Systems.

11 Before you start timetabling, our **Options** software helps you to find the most efficient arrangement of 'elective' choice subjects. After you have finished the timetable you can use **StaffCover** to organise Cover for absent colleagues.

12 Above all there is the **HelpLine Support**, from our team of experienced timetablers. We have long experience of every kind of timetabling situation.
