

Upgrade to TimeTabler 2012

Order Form

There are many new features this year, see a recent eNewsLetter for details. As usual this is a 'seamless' upgrade, which keeps your existing data intact.

Please print out this page, complete the details below and then:

- *Either*, return it with your cheque or school purchase order form to:
Rachel Johnson, October ReSolutions Ltd, 3 Crown Green, Lymm, Cheshire, WA13 9JG, UK
- Or, fax it to **01925-75-2030 (+44 -1925-75-2030)**

VAT (at 20%) is a tax payable only if you are in a European (EU) country. See page 2 for payment options.

Note : for a limited period only, we are offering new Manuals at half price. There has been a huge number of changes to the Manual in recent years, because of the new features.

Look at the bottom of page 1 in your copy of the Manual.

If the date is earlier than 2009 then **we strongly urge you** to update to a new full Manual (see C or D below). This will make it much easier for you to access the many new features, and use the program effectively.

If you'd like a permutation not shown below, eg. a Web-download plus item C, please contact Janet Woodhouse at: janet@timetabler.com
